

Pazel Rein Semel

Dear friends, colleagues, and acquaintances of the Semel family,

Pazel Rein Semel, age 5, daughter of Evan and Amy Semel, passed away unexpectedly Wednesday morning as she slept. This dear girl touched many hearts and lives in her short time here on earth. She was a beautiful soul, sweet sister to her triplet brothers, and testament to the love, patience, and dedication of her parents throughout her young life.

Please lift the Semel Family in prayer, and consider supporting their immediate needs of comforting food and money towards unexpected funeral expenses. They should not have to suffer additional financial hardship from her death.

A meal train has been set up [here](#)

Monetary donations can be made [here](#), a fund that was previously set up for medical expenses.

As a friend of the family, and on behalf of the Young Families committee at Temple B'nai Sholom, thank you for all of your support during this difficult time.
